

ENRICHMENT PROGRAMMES FOR ITE STUDENTS

ITE ASPIRE

It is a 10-week programme focused on cultivating aspirations so that ITE Indian students stay in school and successfully complete their academic courses. In addition, this programme is designed to provide students the platform to master relevant soft skills that are beneficial in tackling their required modules. This programme will build resilience, self-efficacy and confidence.

Students undergoing the programme will be channelled into an ITE Leadership Programme (Scheduled in July 2019)

Programme Details

ITE ASPIRE will consist of 10 weekly sessions

Venue: In all 3 ITE Colleges

Date(s)/ Time: Fridays, 2pm to 5pm (commences in March 2019)

Person to contact: ghajen@sinda.org.sg

MENTOR ME

It is a mentoring programme that matches tertiary students with industry professionals to guide them.

Programme Details

Mentors will be assigned to one or two ITE students for a period of 1 year.

ITE students will meet with their Mentors on a quarterly basis or when required to share their progress.
